"DEAR SIR: - I received yours of the 8th nst. late last evening, requesting me to state the events that occurred at the battle of the Thames, that came within my recollection, that have most interest to the public. The letter of Col. MORE FORGERY.

Fraud and forgery appear to be the chief weapons of our opponents. The documents are introduced by a pretended extract from the Emancipator, an abolition newspaper in this city, declaring that in consequence of General Harrison's letter it will support him for President, instead of Mr. Birney, the abolition candidate.

We have now before us, the evidences of another instance of such nefarious villany. A letter bearing the name of Charles J. # THE GREAT WESTERN.

Liberty, the Constitution, - Union - The principles of Washington, Jefferson and Jackson.

THIS PAPER is now in publication, it is de voted to the glorious cause of Democracy, and with the liberal aid of the people and the blessings of Providence, our Standard shall never be prostrated, or our Flag furled to the foul and corrupt powers of Federalism. Humbly, but earnestly laboring for the success and eternal perpetuation of those great principles, upon which alone, depend the liberty, happiness and prosperity of the people and the salvation of our beloved Union, the Editor confidently appeals to the friends of Democratic principles to sustain him in the stand which he has thus taken, in the very midst of the battle fury of Federal Aboli-tionism, which is threatening to spread ruin and dessolation over the Sonth.

The Great Western is published weekly, on a large sheet, and will contain all the general intelligence of the day, both at home and abroad. It is designed to make this paper every way suitable and acceptable to the people of the country, and being located at New Orleans, the great commercial Emporium of the South and West, will be found a most people of the court of the south and the south as the south and the south as the south as the south and the south and the south as the south and the south as the south as the south as the south as the south and the south as the south and the south as the s it will be found a most useful paper to every citizen in the up country, as it will contain all the
